UJJWAL SUNEEL TIWARI

ASPIRING DATA SCIENTIST

8652181562 | Mumbai, India | Email | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Electronics & Computer Science Engineering student with hands-on experience in Data Analysis, Python, and Embedded Systems. Skilled in logical reasoning, data interpretation, and problem-solving with strong leadership abilities. Aspiring to become a Data Scientist with a focus on AI and ML applications.

TECHNICAL SKILLS

Bachelor of Engineering (B.E.), Electronics & Computer Science (Expected 2026)
Shree L. R. Tiwari College of Engineering`

PROFESSIONAL EXPERIENCE

Work Experience

Supervisor – Arihant Academy (9 months)

- Managed a team of students and faculty operations, improving workflow efficiency.
- Coordinated schedules, resolving conflicts to ensure smooth daily operations.

Personal Tutor – Independent (7 months)

- Taught Mathematics, Logic, and Core Subjects to students across multiple levels.
- Improved student performance through personalized lesson planning and mentoring.

Customer Service Associate – Call Center (1 month)

- Handled 100+ customer interactions daily, maintaining a 90%+ satisfaction rate.
- Gained exposure to client handling and communication skills under high-pressure scenarios.

Interships

Data Analysis Internship

- Collected, cleaned, and visualized data using Python (Pandas, Matplotlib) and SQL.
- Explored machine learning basics to generate actionable insights.

Embedded Systems Internship – Circuit Wizard

- Designed and simulated electronic circuits, microcontrollers, and IoT-based solutions.

Python Internship

- Developed core Python scripts and implemented in mini-projects to automate simple tasks.

Projects:

- Smart Home Security System – Arduino-based IoT device with sensors.
- Vegetable Vendor App – Python-based ordering & billing system using JSON storage.
- Acid Rain Data Analysis – Data visualization and predictive modeling using ML basics.

SKILLS

- Programming: Python, C, C++, SQL
- Data Science: NumPy, Pandas, Matplotlib, Excel, Machine Learning Basics
- Embedded Systems: Arduino, Raspberry Pi, Circuit Simulation
- Other: Logical Reasoning, Problem Solving, Team Leadership

CERTIFICATIONS

- Python Programming Certificate
- Data Analysis & Visualization Certificate
- Embedded Systems Training Certificate

ACHIEVEMENTS & LEADERSHIP

- Co-Head, R&D Cell – Shree L.R. Tiwari College of Engineering
- Hackathon Participation – Team Leader for innovative tech solutions
- Multiple academic and skill-based certifications in software and embedded systems
